## NELSON ROSÉ

### 2021 Harvest

#### HARVEST DATE

Late March through to late April 2021

2021 Harvest was another high quality but tough vintage for the Nelson region. Starting with a cool spring and late, dry summer volumes were down overall by 35%. On the upside, the quality of fruit is superb, perfect for making sensational wine.

#### VINEYARD

From a selection of our growers in the Nelson Region.

#### SOIL

Predominantly Moutere Clay

#### FERMENTATION / MATURATION

100% Stainless Steel fermentation, with initial skin contact releasing the light blush of Pinot Noir blended with Pinot Gris.

#### WINEMAKING ANALYSIS

Alc: 13.0% | RS: 8.3 g/L | TA: 8.0 g/L

### Tasting Notes

Candy apples and cream on the nose, the well balanced palate is rich in strawberry, peach and rhubarb flavours. A refreshing off-dry wine superb for all occasions.

#### SERVING SUGGESTIONS

The perfect summer-sipper, serve chilled on it's own or with your favourite Thai curry.

#### CELLARING RECOMMENDATIONS

Drink young and fresh through to 2023

### KAHURANGI ESTATE SERIES
