Region	Central and North East Australia
Varietal	Shiraz
Alcohol	14.5%
Acid	6.7 g/L
pH	3.52
Best Consumed	2021 – 2025

Winemaking

This wine was crafted from 100% Shiraz grapes, sourced from our vineyards in Central and North East Victoria. Grapes were picked and crushed during the cool of night to retain their fresh, varietal flavours. The juice was then divided into select parcels. Each parcel underwent a different treatment such as malolactic fermentation; fermentation and time with French and American oak; or spending an extended period on yeast lees. Each treatment resulted in an individually flavoured parcel of wine, and the unique character and personality of the final blend is a result of the special handling of these separate parcels.

Description

This Shiraz has aromas of earth, spice and blackcurrants which are evident on the savoury palate. Abundant in dark berry and plum fruits with a hint of black pepper.

Food match

An ideal partner to gourmet barbequed meats or aged hard cheeses.
