

KAHURANGI ESTATE

NELSON PINOT NOIR

2022 Harvest

HARVEST DATE 12 March & 25 March 2022

Harvest 2022 threw just about everything at us to challenge even the most seasoned grower. From a cool, damp flowering period, beautiful hot January followed by super wet February, huge disease pressure all round, etc. Fortunately from the beginning of March onwards, the fine weather returned and stayed. While yields were down on average, the fruit that was harvested was in the main very good and we're looking forward to some great wine.
